

Why optimize
JavaScript?

• Reduce load time

• Reduce startup time

• Improve runtime performance

Aditya Osmani: "JavaScript Start-up Performance"

Why optimize JavaScript?

- Reduce load time 
- Reduce startup time 
- Improve runtime performance 

Addy Osmani: "JavaScript Start-up Performance"

2.6MB of unoptimized JavaScript On Android phone with Regular 3G

- Load: 28s
- Compilation: 123ms
- Evaluation: 1203ms
